

New Service Offered

Microform Models, Inc. in partnership with its sister company, Dupliform Casting Co., is pleased to announce a new service for our valued customers. We now have Rapid Prototyping & Production capabilities, and in most cases can go from concept to completion in 7 to 10 days, depending on quantities and size of the item. We can work from almost any media, be it photographs, hand drawings or CAD images. Please visit our website, www.microformmodels.com, and click on the yellow button, or go directly to www.dupliform.com to view more products produced with our new capabilities. Call us toll free for more details and pricing at 877-489-3011 or email your drawings and contact information to dupliform1@msn.com or microformmodels@msn.com.
